**COCKTAILS**

.....	.....
<b>A Rainy Day</b> .....	\$14
DSC's version of a 'Dark & Stormy' comes with spiced rum, a snooch of lime, ginger beer & angostura bitters. We'll let you decide whether it gets your vote or not.	
<b>The Esplanade</b> .....	\$18
Our take on the classic Daiquiri with a blend of white rum, watermelon and sour apple liqueur. It will have you feeling like you're strolling Dunedin's Esplanade on a classic 'Dunners Stunner'.	
<b>The Gold Rush</b> .....	\$18
A contemporary take on DSC's famous Espresso Martini, we've infused caramel, salt and espresso, and mixed it with vodka and coffee liqueur. Limited daily supply get in quick.	
<b>The Yellow Eyed Penguin</b> .....	\$16
A Dunedin Social Club original with vanilla vodka, peach and lime. Unique to DSC like the yellow eyed penguin is to Dunners.	
<b>The Chinese Garden</b> .....	\$19
Orange liqueur, cherry brandy bound together by grenadine syrup, bitters and pineapple juice. An important (albeit controversial) part of Dunedin culture.
